Message from Pastor Preston
 God is Teaching Us How to Receive
 Sunday Nights at 6:15 PM

1 Cor. 2:14 A natural man does not accept the things of the Spirit of God; for they are foolishness to him, and he cannot understand them, because they are spiritually compromised.

1 Cor. 15:46 However, the spiritual is not first, but the natural; then the spiritual.

God understands us and how we think. He knew that we need to experience things in our world before we can receive things in His world. Pictures, types, shadows and demonstrations are some the methods

Holy Ghost uses to position us to receive God's greater blessings. God looks at every opportunity with joyful expectation because He is always looking at us with possibilities of hope. People are always looking for a sign to validate they are on the right track. We tend to look at our circumstances instead of the promises. God honors our request for

experiencing blessings in the natural for the purpose of drawing us closer to His supernatural character. God gives us a sales deal that came from no where and suddenly our disaster is turned to laughter. He coordinates a call from a love one that turns our sadness into gladness. God knows exactly when we are weak and He shows Himself strong. Our loving Father is saying come up and sit with me awhile and see things from the Realm of Favor. Up here there is no turbulence. With Me, you will know my peace that passes all understanding. Lack, sickness, disease and brokenness doesn't exist in my presence. Let us be trained to watch for the love kisses in the natural that we might learn how to walk in the supernatural blessings of a loving Heavenly Father. God is calling us higher. Amen

If you have been touched by Holy Ghost and are ready to accept Jesus as your Lord, please say this prayer out loud and write me with your praise report: Father, I have sinned and fallen short of righteousness. I know that you are Holy and the punishment for sin is death. I accept the finish work of Jesus for the full payment of my sins and I accept my righteousness by faith in Him. Thank you Father for saving me and adopting me into your family. Amen. Please write me at preston@jesuspaid.com if Jesus became the Lord of your life.

Praise Reports

Miracle at Airport

I had two bulging disks and one herniated disk and shooters. I have always been independent and the sole provider for my household. Two years ago, I was injured and every since that time I have limited ability to walk, to work or to enjoy life because of these pain shooters that radiate through my body like a stun gun fire from time to time. During a flight, I sat next to a person who taught me about God's will to heal and the power and promises of God to confirm His Word with signs and wonders. He told me that I would not leave the airport with my infliction. I thought wouldn't that be nice. As we got off the plane I was asked if I still wanted the laying on of hands. I was convinced at this moment that God could do these things so I submitted to prayer. Instantly, my back pain was eliminated and I was able to lean all the way back, stand on one leg and jump with no pain. Thank You Jesus for saving me.

God's Rain is falling and the Father's love is increasing as we approach the third year anniversary this weekend. Special Evangelists, Dancers and Worship Teams have been assembled by Holy Ghost to celebrate this event. One week ago, a flood of water, entered the building washing the Worship Center with three inches of renewing water. Approximately six thousand dollars in damages was recorded and many have prophesied that this is a sign and wonder to confirm the outpouring of God's anointing being released. We say, clean us Lord that we may have clean hearts and clean hands to be apart of Your revival. If the Lord places on your heart to sow a special seed offering at this time, your giving would be a blessing. Please send checks to the Harvest Centers P.O. Box 877 Newnan, GA 30264. Whether you can give or not, please come and help us praise the King with a special offering of thanksgivings for God's love that has been poured out over the last three years according to His riches and glory. Amen

Vision of Jesus

We were worshipping the King prostrate before the Lord when Holy Ghost opened my eyes to see the Living Lord walking around the people and giving gifts to men and women. This was one of the most powerful experiences I have ever felt. The Lord loved me abundantly for His glory. Amen

Kissed by the King

I was visiting the Church Fellowship when I was asked to worship with a flag. This was my first time to use a flag, however I had peace that I was doing it for the Lord. As the worship began, I drifted into a place of peace and gently I felt the Lord kissing my forehead and then I felt Him give me a hug with such a love that I collapsed to the floor when He let me go. As I laid on the floor I keep feeling the gentleness of His presence washing me with His love. I was surely blessed by the Lord Himself today. Thank You Jesus.
