Over time, the evil one creeps into our lives through teachings, experiences and thoughts. Because the Lord has good thoughts to prosper

Seek the Uncorrupted Word while it is Available-Store it in your Heart

Pastor Preston

Amos 8:11-12: ¹¹Behold, the days are coming, says the Lord God, when I will send a famine in the land, not a famine of bread, nor a thirst for water, but a famine for hearing the words of the Lord. ¹²And the people shall wander from sea to sea and from the north even to the east; they shall run to and fro to seek the word

of the Lord as if it were food and they will not find it.

God always tells His people ahead of time about impending danger and the plans of the evil one. In this passage, we see that there is a deterioration of His Word coming that will bring near starvation of His truth. Even at this hour, we see church services filled with entertainment, short stories and a couple of versus. Some congregations are settling for a friendly gospel that yields to individual thought. Sin is not taught much anymore. Today there is much pressure to just learn to be tolerant toward opposing views.

Are we beginning to see this scripture fulfilled during our watch? Jesus asked each of His disciples to follow Him and walk in His ways. Have we lost our first love? Let us ask Holy Ghost to ignite the fire in our bellies that we first experienced when we realized Jesus had paid our punishment. Father help us to rededicate our lives to run after Your heart and create a hunger to study Your Word while truth is still available in Jesus' name. Let us not be the generation that lets Your truth be lost with empty deceptions that void eternal life. Amen

Stress and Your Weight: Men vs. Women

Logically enough, the scientists encouraged the participants to learn [stress-reduction techniques](#) as a means to managing weight. Stress can indeed wreak havoc on health and weight. I often recommend a stress-reduction program to overweight patients. Here are some steps to take: 1. Become aware of the stressors in your life. 2. Try exercise as a great stress reliever. 3. Adopt a routine of deep breathing and meditation. 4. Eat a balanced, healthy diet. 5. Get enough sleep--most people need at least 7 hours a night. 6. Seek counseling if necessary--with a therapist to improve your relationships or with a nutritionist if your diet needs an overhaul. 7. To help the body combat the effects of stress, take a high-quality multivitamin each day, one that contains plenty of antioxidants. I prefer a liquid or chewable vitamin with at least 100 percent of the

us and keep us in good health, we have to guard against unbelief, fear and doubt. These types of thoughts can paralyze our faith and place us in harms way. The evil one has bound God's people too long and it is time to walk in our destinies in Christ.

God is calling His people to speak to those weapons that have lined up against us and command them to depart in the name of Jesus. He says remember, "No weapon formed against you will prosper.

Let all of us seek the Lord and ask Holy Ghost to reveal the areas that the enemy has bound us. The Lord says that we have resources that are available through faith and understanding. Jesus is telling us to call upon Him in our time of need and see our salvation. Amen

Praise Reports

Back Pain Gone

I have been struggling for maybe a year with back pain. Several times I have received prayer that the pain would leave. This time the Lord removed the blockage and the pain instantly left my body as their prayed. Thank You Jesus for eliminating my back pain.

Brokenness Restored

I had been in an awful mess one that almost destroyed me. People laid hands on me and suddenly the pain began to burst into tears and weeping. God delivered me tonight through the

recommended intakes for B vitamins and vitamin C.

[Home Remedies](#) for Blackheads

Did you outgrow your [teenage acne](#) only to discover that blackheads never go away? You're not alone. Blackheads are caused by pores that are only partially clogged; the good news is they never got entirely clogged and turned into pimples, and the bad news is that unlike pimples, they don't drain and go away. Not without a little bit of coercion. Try these easy home remedies to get rid of your blackheads and achieve the clear, [glowing skin](#) you've always wanted. Step 1: Pour boiling water into a basin and lean over it, keeping your face several inches from the water and tenting a towel over your head to keep the steam in. Steaming your skin opens up your pores, allowing impurities to drain out and remedies to penetrate further in. Step 2: Mix water and baking soda into a thick paste, and rub it over your face in small circles. This can sting, but works wonders on blackheads. Step 3: Mix 1/4 cup water with 1/4 cup apple cider vinegar and apply it to your face with a cotton ball. Rinse it off, then moisturize as usual. Step 4: Mix raw egg whites with enough honey to make it sticky and apply it to your face. This easy mask will tighten your pores and draw out excess oil. Wash it off after it dries. Step 5: Stir 1 tbsp. milk into 1 tbsp. gelatin to make your own pore strips. Microwave the mixture for 10 seconds, then paint it onto your nose and other areas affected by blackheads with a small makeup brush. Peel it off slowly and carefully after it dries.

Financial Blessing

We were struggling to pay the most basic living costs. We asked the Lord to help us in our situation. A blessing came that was unexpected that provided the money we needed to meet our obligation. Thank You Jesus for providing our provisions for Your glory. Amen
